Dr. E. G. Case, formerly a wellknown dentist of Ukiah, who has been practicing his profession in San Francisco since 1906, passed away at his home in Oakland last Friday after a lingering illness and was laid to rest in the Oakland cemetery Saturday afternoon.

A prominent Democratic politician, Dr. Case was looked upon as the leader in that party's affairs in Mendocino county for many years. He was also active in fraternal work and was a member of Abell Lodge No. 146, F. & A. M. of this city.

Dr. Case, who was 59 years old, is survived by a widow; one son, Charles George Case; two daughters, Margaret Lee Case and Mrs. Howard Preston, the latter residing at Fort Bragg; a brother, Dr. Charles E. Case, of Tacoma, Wash., and two sisters, Mrs. M. J. Sweeney and Mrs. I. E. Crone of Oakland.

### FISHERMAN'S LUCK

Rev. S. P. Pope, Dr. T. F. McClure, Dr. Robherd Thomas and F. O. Strong spent Saturday in Lake county, fishing in Clear Lake for black bass. Although no member of the party will comment on the success of the expedition, "Fisherman's Luck" is the rumored verdict.

# HUNTS WITH A GAMEWARDEN; OUCH! PINCHED

The next time you go hunting, pick your company with care, and if there's a game warden in the party the wisest thing to do is to put your musket back in its holder and keep it there.

A. L. Molten, superintendent of the Navarro Lumber Company, didn't. And it cost him $25.

In his party was Game Warden Bert Miller, and they spent the day hunting on the McNab ranch near Largo. Everybody killed a deer, including Molten—only Molten's was a spotted fawn.

He said he killed it by accident, and all the rest of 'em believed him, but that didn't make any difference in the eyes of the law and he paid Justice of the Peace Hurley a fine of $25.

Grotz has been before the court half a dozen times for selling liquor in dry territory and was recently placed on probation after being sentenced to seven months in the county jail and $600 fine. A provision of his probation was that he was not to keep liquor in his home or to even sell soft drinks.

# Why Suicide, Asks Honor Camp Escape

"Why didn't you run?" asked Sheriff Ralph Byrnes as he leveled a sawed-off shotgun at Otto Meyerhof, an escape from the convict road camp in the northern part of the county, after the man had obeyed the officer's command to halt.

"Do you think I want to commit suicide," was Meyerhof's reply, as Deputy Sheriff Leslie Clay slipped the handcuffs over his wrists.

Only a few hours before Meyerhof kicked dust in the face of Ernest Capell, of Laytonville, who sent a rain of shot after him, but he succeeded in making good his escape. His companion, however, Henry Schoen, stumbled and fell and was caught. Both men were brought here by Byrnes and Clay Wednesday morning and are held awaiting the arrival of a guard to take them back to San Quentin.

Schoen was sentenced to three years for floating a bad check in Orange county, and Meyerhof was serving four years for first degree burglary from Santa Clara county. Both men escaped from Convict Camp "A" Sunday morning.

A man named Bacon, who was serving a term for burglary from Alameda county, escaped from Camp "B" Tuesday night and has not yet been found.

The ranchers state that they can get a better price and make more money by shipping to the San Francisco market, and unless some relief is provided here Ukiah is threatened with a "home-make butter" famine. Already butter is being shipped here from the Petaluma creameries and a square of home-made butter is a rare luxury.

Last Monday approximately 170 gallons of cream were shipped to San Francisco through the local express office, which, according to Agent A. W. Custer, is about an average Monday shipment.

# NIMROD KILLS BIG BUCK WITH ROCK

While such seasoned sportsmen as George A. Johnson, C. M. Mannon, and A. L. Tracy were scouring the hills in the wilds of northern Mendocino, where deer were once known to roam, General W. S. Graham, who does not even profess to know a buck from a doe, and who never shouldered a rifle in his life, bagged one of the finest deer of the season with a rock. General Graham was driving along the road above the R. L. Cleveland place en route to the Potter Valley dam, when he found the deer bayed near the creek. He hurled a rock, struck the deer on the forehead, and killed it. The buck, which was a forked horn, weighed 123 pounds.

It was afterwards learned that Neil Christy of Coyote Valley had shot the deer, breaking its leg and his dog had bayed it in the creek. The question as to the ownership of the buck was settled by a division of the meat.

# SAWDUST DRYER TO BE INSTALLED IN MILL AT MENDOCINO

Charles Anderson and his crew of carpenters who have been busy the past few weeks building an addition to the Mendocino mill have completed their labors and returned to Fort Bragg, says the Chronicle. The new industry which has been installed is a sawdust drier similar to the one now in operation at the Union Lumber Company's plant.

The building at present is 20x32 feet in size but four big drier pipes are left partly outside, which will be covered later. When completed the building will cover an area of 20x100 feet and will have a capacity of two to three hundred sacks of the dried product per day.

This product is being used by the fruit men in shipping grapes to eastern points, has been fuond most satisfactory, so much so that the increased demand has made it necessary for the Mendocino Lumber Company to make the present installation.

# WOMAN WELLKNOWN HERE PASSES TO REST IN EAST

Mrs. L. C. Henley, formerly of this city and mother of Attorney Ed. V. Henley of Ukiah, passed away at Mattoon, Ill., Tuesday. She was 73 years old and leaves a husband, five sons and one daughter to mourn her passing. After several years' residence in Ukiah, Judge and Mrs. Henley returned to the East three years ago to reside at their old family home. Many friends here will extend sympathy to the bereaved family.

# TIME IS THE TEST

**The Testimony of Ukiah People Stands The Test.**

The test of time is what tells the tale. The public soon finds out when misrepresentations are made, and merit alone will stand the test of time.

Ukiah people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills; the do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? Below is testimony such as the sufferer from kidney ills is looking for.

Mrs. A. S. Bailey, 1136 W. Perkins St., Ukiah, says: "I had been complaining of my back and kidneys for a long time. My back ached almost constantly. My kidneys were much disordered and caused me annoyance at night. As soon as I started taking Doan's Kidney Pills I could see a change for the better and after finishing the second box, my back was free from pain and my kidneys were normal."

The above statement was given Mar. 11, 1910 and on June 22, 1916, Mrs. Bailey said: "I am just as strong for Doan's Kidney Pills now as I was when I endorsed them before. They are the best kidney medicine I have ever used and they never fail to give me excellent results."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. aBiley has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.
